

ATTENTION APPLICANTS

Alcohol Fuel Plant (AFP) – Large/Medium

Please note that your application will not be processed unless, at a minimum, the following forms are received. The forms are:

1. TTB F 5110.74 Application for Alcohol Fuel Plant
2. TTB F 5110.56 Distilled Spirits Bond for Alcohol Fuel Plant

If all three of these forms are not received your application package will be returned to you without action.

Please be advised that you may not begin operations until you receive your approved permit/application from TTB. Any alcohol product produced without a federal permit is subject to seizure or voluntary destruction.
