3. Depending on your settings, you may need to scroll up or down, right or left, to be able to view the entire form.
4. Information from your user profile will be entered for you in the appropriate fields. Please verify the accuracy of the information in the pre-populated fields.
5. Be sure to only use the mouse or the *tab* key to enter information into the fields. **DO NOT use the Enter key to enter information in the fields.** The enter key will cause edits to be performed on your form, which may slow data entry. Also, the *Back* and *Forward* buttons on your browser are also not to be used. Navigation through the form is by tabbing or moving your mouse into the appropriate field. **All figures should be rounded to one decimal place.**

6. Fields 1, 2, 3 and 4 are required fields and must be completed using the directions below. If you attempt to leave a required field without entering a valid entry, you will receive an error message box explaining the error. Select the OK button and enter the necessary text to continue.
7. Begin by selecting (moving your cursor) or tabbing into the field marked "1. NAME OF IMPORTER".

****** The information provided in the following fields must match your permit or approved registration.**

Company Name: The name of your business is not pre-populated. You must enter the company name as shown on your TTB approved permit or registration.

Reporting Period Month: You must select the month for the monthly report from the drop-down box that lists the 12 months.

Reporting Period Year: You must select the Reporting Period Year from the drop-down box.

Final Report: If this is your final report to show discontinuance of operations, check the box in No. 5.

ADDRESS:

- **Street Address:** Your Street Address is pre-populated. You may edit pre-populated fields if necessary. If there is no address for your business in your User Profile, then nothing will be pre-populated and you must complete the field.
- **City:** The city where the business is located is pre-populated. You may edit pre-populated fields if necessary. If there is no city for your business in your User Profile, then nothing will be pre-populated and you must complete the field.
- **State:** The state where your business is located is pre-populated. You may edit pre-populated fields if necessary. If there is no state for the business in your User Profile, then nothing will be pre-populated and you must enter the two-letter state abbreviation. Note: This must match the state code you entered within your Permit Number.
- **Zip Code:** The zip code where your business is located is pre-populated. You may edit pre-populated fields if necessary. If there is no zip code for your business in your User Profile, then nothing will be pre-populated and you must complete the field. You must enter a 5-digit number or a 5-digit number followed by a "-" and then a 4-digit number.

Permit Number: You must enter your Permit Number in the following format: XX-TI-#####. You must enter two characters to signify the State that much match what was entered in the state field for your address. The next two characters identify the permit as a tobacco import. The next five positions must contain a one to five digit number (1 through 99999 is valid). Do not enter the dashes ("-"), as these will be auto-populated.

8. To complete the form, use the current procedures for completing the paper form. Instructions for completing the form are available by selecting the **Help Text** button in the upper right side of the form. This will open another window of your browser without impacting your Pay.gov session. To close the **Help Text**, simply close the window. **Please note** that if you intend to enter data into the write-in fields, you must first enter the appropriate row or column heading before entering the numerical data.

9. The buttons at the bottom of the page perform the following functions:

Update – captures data without submitting the information and performs validations of all entered and required fields.

Submit Data – performs validation on all entered and required fields and allows the user to verify if the form successfully passes the validation criteria. If not, an error message will be displayed. If successful, the form will be submitted.

Save – allows the user to save the form in its current state.

PDF Preview – creates a PDF version of the form that can then be printed in the current OMB format of the form.

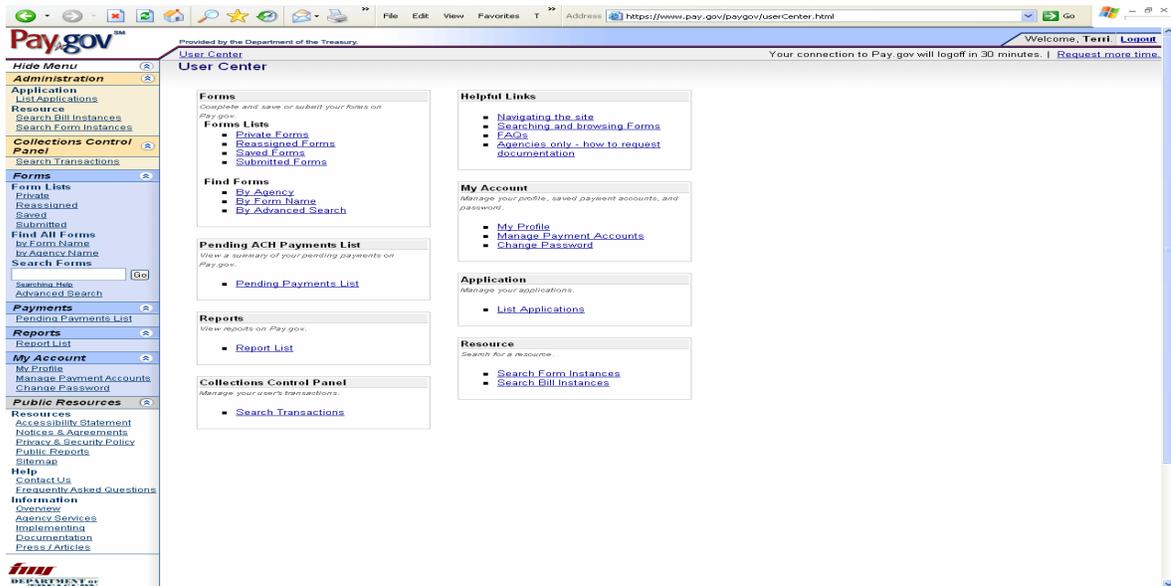

NOTE: If you don't have Adobe Acrobat installed on your computer, you will be prompted to download the free software.

Reset – clears all form fields and restores to a blank form.

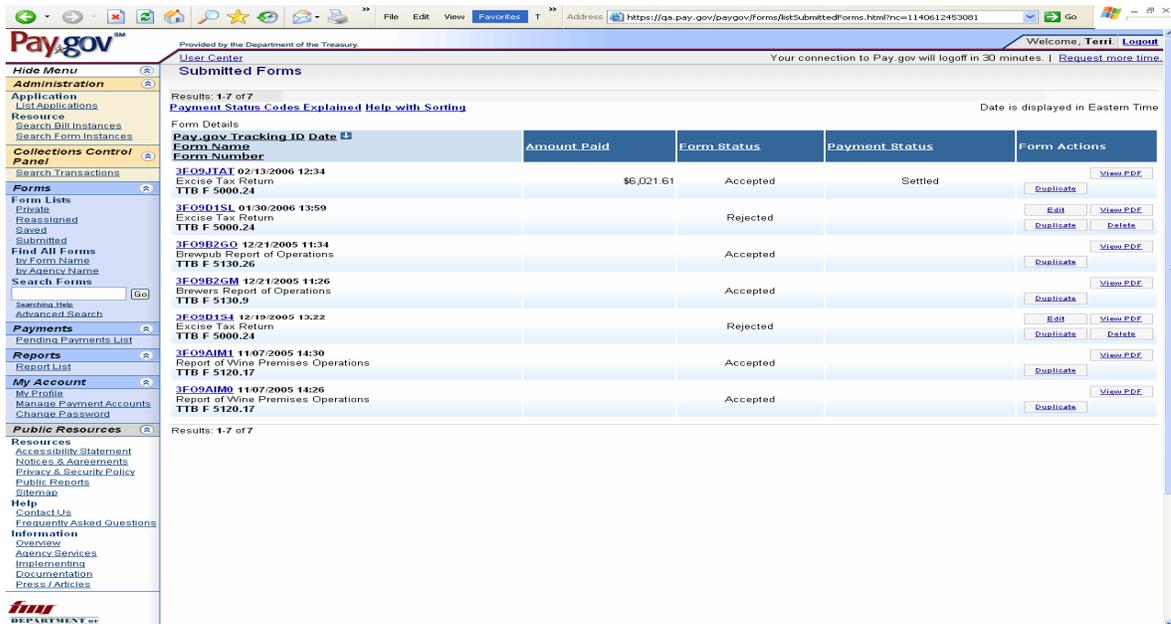

10. Once you have filled in the appropriate fields, select **Update** to capture the data. If report errors occur, the total field will be highlighted in red, and the system will display a warning message and explain the error that needs corrected.
11. If you have not entered your title and accepted the penalty of perjury, you will need to do so at this time.
12. After corrections are made, select the **Update** button again. Once you have updated the form, select **PDF Preview** to view the form.
13. To print the form, select the **Printer** icon from the Adobe toolbar or from the browser toolbar. This will open the Print dialog box. Select **OK** to print the form.
14. After viewing or printing the form, close the Adobe window to return to the updated version of the form.
15. You may choose to either save your form and submit it at a later time, or submit the form now.
 - If you wish to save the form, select the **Save** button. You will receive a confirmation number for your saved form. (See “How Do I Retrieve A Saved or Submitted Form?” to find your form when you are ready to submit the report).
 - If you wish to complete the process now, select **Submit Data** button. Please verify that your submission is shown as “Accepted” under the Forms Status column in the Saved Forms or Submitted Forms section of the User Center.

How Do I Retrieve A Saved or Submitted Form?

1. Go to the User Center and select *Saved Forms* or *Submitted Forms* from the Forms List.

2. Select the form you want to view or edit.

3. If you want to keep a copy of the form for your records, you must select the **View PDF** button and print your completed form
4. Once you have printed the form, close the Adobe window..
5. If you wish to edit the form, select the **Duplicate** button. This will create a copy of a form that can be edited and saved or submitted as a new or amended form.

6. If you wish to submit the form, select the ***Submit Data*** button. Please verify that your submission is shown as “Accepted” under the Forms Status column in the Saved or Submitted Forms section of the User Center.
7. Note: Each form has a “Form Status”. Explanations of each form status is given below:

Form Status:

Saved - The form has been saved but not submitted. The user can go back into the form and make changes.

Rejected - There was a problem with the form in submission. This can occur if you submit the form but cancel out of the collection screens. The user cannot make changes.

Submitted - The form has been submitted to the system (only at this state for a very short period of time). The user cannot make changes. This status does not mean it was accepted, only sent. NOTE: Submitted forms will only be saved within Pay.gov for 120 days. If you wish to archive your records, please save a copy of your print preview.

Forwarded – The form has been submitted to the system, but has not yet been processed. The user cannot make changes.

Accepted - The form was accepted into the system and stored. The user cannot make changes. If changes are needed, you must file an amended return. NOTE: Users should verify that their submission was “Accepted” after filing.
