Dear Chief, Regulations and Procedures Division:

I oppose the proposed draconian 90/10 regulation in TTB Notice No. 4 and ask that the TTB enact the 51% compromise. As a Diageo employee, I am proud of our products and want to be able to compete with other products based on quality.

These proposed regulations mark a dramatic change in how we have produced, marketed, and sold our products for 30 years.

Sincerely,

Audrey Cotrona
