Dear Sir,

I'm writing this letter to support the Proposed Federal Rule Regarding Flavored Malt Beverages. This ruling would:

- Preserve the consistent approach throughout the country that Flavored Malt Beverage's should be advertised, distributed and licensed as beer.
- Ensure clarity, aroma and taste profile of these products would not change.
- Serve the best interests of my retail customers and their consumers and best preserve the historical distinctions between beer and spirits.

Thank you for your consideration on this matter.

Sincerely,

Carter Mollgaard
