Attn: Notice No. 4
Dear Mr. Foster,

I am hereby expressing my enthusiastic support for the 0.5% standard on flavored malt beverages proposed by the Alcohol and Tobacco Tax and Trade Bureau. With an increasingly competitive marketplace, consumers such as me do not need further confusion about the difference between malt beverages and distilled spints.

Your proposed rulemaking just makes sense and I encourage you to adopt it as quickly as possible.

Sincerely,

.~. .~.
