Lisa. A Semler and Derek Baugh of the Semler Malibu Estate Vineyards in Malibu, California gave us a grand tour of their vineyards and in-depth information about their vineyards and what they are achieving with their wines. They are most certainly doing a great job they should be allowed the privilege to have a Viticultural Area in Malibu California. The use of "Saddle Rock" or "Malibu" would distinguish Malibu and the Vitners that provide use with excellent examples California Wines.
