Industry Circular No. 63- 12

July 2, 1963

REVISED FORM 2733

Proprietors of distilled spirits
plants and others concerned:

Purpose. This circular is issued to inform you that Form 2733, Monthly Report of Bottling Premises Operations, is being revised as of July 1963.

Changes.

1. On the face of the form, footnotes 1 and 2 have been renumbered as 2 and 3, respectively, and a new footnote 1 has been added, instructing proprietors to report in Part II (at line 22 or 23, appropriately identified) bottled spirits received on bottling premises for relabeling or restamping, without rebottling.

2. On the back of the form, the shading in column (f) at line 9 has been omitted, in order to provide for the reporting of the total quantity of imported cordials, liqueurs, cocktails, and similar compounds which are bottled without rectification.

Use of form. Your Assistant Regional Commissioner will furnish you an initial supply of Form 2733 (Rev. July 1963) as soon as the forms are available. The July 1963 revision should be used as soon as it is received; you should then destroy all unused Forms 2733 bearing earlier revision dates.

Inquiries. Inquiries concerning this circular should refer to its number and should be addressed to the office of your Assistant Regional Commissioner, Alcohol and Tobacco Tax.
