TTB Proposes Establishment of the “Manton Valley” Viticultural Area

In [Notice No. 141](#), a notice of proposed rulemaking published in the Federal Register on January 14, 2014, TTB proposes to establish the “Manton Valley” American viticultural area in portions of Shasta and Tehama Counties in northern California. The proposed viticultural area is not within, nor does it contain, any existing viticultural area. TTB is making this proposal in response to a petition filed on behalf of local wine industry members. At the “[Regulations.gov](#)” website, within [Docket No. TTB-2014-0001](#), you may view copies of Notice No. 141, selected supporting materials, and any comments TTB receives about the proposal, and you may [submit comments online](#) about this proposal. Please see [Notice No. 141](#) for alternative methods of commenting. Comments on this proposal must be received on or before March 17, 2014. Read the related [press release](#).
