XII. Report on FOIA Executive Order Implementation

A. Description of supplement/modification of agency improvement plan if applicable.

In response to the President’s Executive Order 13392 of December 14, 2005 (Improving Agency Disclosure of Information), and the Department of the Treasury, TTB recognizes Sandra L. Pack, Assistant Secretary for Management and Chief Financial Officer, as the Chief Freedom of Information Act (FOIA) Officer. Additionally, TTB recognizes Hugh Gilmore as its public liaison to serve as the supervisory official with whom a FOIA requester can raise concerns about service the FOIA requester receives from the TTB’s FOIA Requester Service Center following an initial response from the center staff.

B. Report on agency implementation of its plan, including its performance in meeting milestones, with respect to each improvement area.
TTB is represented at the Treasury Department’s FOIA Council meetings. The council meetings, initiated to establish governance and sponsorship within Treasury, sets goals and objectives through the Treasury FOIA Council. Representatives suggest ways for improving the FOIA process. This tool enables us to monitor and report through the Treasury Council to the Chief FOIA Officer.

TTB is improving its process by establishing its FOIA Requester Service Center. The FOIA Requester Service Center enables FOIA requesters to seek information concerning the status of their FOIA requests and appropriate information about the TTB’s FOIA responses.

Where information is readily available, TTB is improving its backlog by reviewing and quickly responding to requests. Request placed on fast-track reduces or eliminates backlog by more than 10 percent.

(5) inter-agency or intra-agency memorandums or letters which would not be available by law to a party other than an agency in litigation with the agency;
