## What's New in Formulas Online 1.1.1 (Industry Members)

March 2, 2012

The following system updates and new functionality are included in Version 1.1.1 of the Formulas Online system:

- **Print Formula and Process for Domestic and Imported Alcohol Beverages (Uniform) Submission Summary** – You may now print a summary of a Uniform submission. The summary includes data from the Main, Formula, Results, and Return pages of the submission.
- **Print Formula and/or Process for Article Made with Specially Denatured Spirits (SDA) Submission Summary** – You may now print a summary of an SDA submission. The summary includes data from the Main, Formula, Results, and Return pages of the submission.
- **Display Additional My Submissions Detail** – You may now view the following additional detail in your My Submissions page for submissions you have submitted:
  - TTB Formula ID
  - Company Formula #
  - Product/Brand Name
- **Remove Uniform Ingredient Validation for Low-High Range** – You no longer have a requirement that the Low-High range for all Uniform ingredient types be within 5% of the Low-High median.
- **Resolve Issue With Advanced Search Using Date Completed and Date Submitted** – You may now get the correct submissions in the search results when performing an Advanced Search using the Date Completed and Date Submitted search criteria.
- **New TTB Contact Information** – You may now use the following information to contact TTB for assistance:
