 SUPERSEDING

We, the above-named principal and surety *(or sureties)*, are held and firmly bound unto the United States in the above amount, lawful money of the United States; for the payment of which we bind ourselves, our heirs, executors, administrators, successors, and assigns, jointly and severally, firmly by these presents.

This bond must not in any case be effective before the above date, but if accepted by the United States it must be effective according to its terms on and after that date without notice to the obligors: *Provided*, That if no effective date is inserted in the space provided therefore, the date of execution shown below must be the effective date of the bond.

WHEREAS, the principal has used, and/or intends to use from time to time pursuant to the provisions of 26 U.S.C. 51H1, distilled spirits on which all internal revenue taxes have been paid or determined in the manufacture or production of medicines, medicinal preparations, food products, flavors, flavoring extracts, or perfume unfit for beverage purposes, in accordance with laws and regulations now or hereafter in force; and

WHEREAS, the principal has filed and/or intends to file monthly a claim for allowance of drawback on such distilled spirits pursuant to said laws and regulations, with the authorized official of the Alcohol and Tobacco Tax and Trade Bureau; and

WHEREAS, it is intended by this bond in the event of failure by the principal to satisfy the authorized official of the Alcohol and Tobacco Tax and Trade Bureau that the tax on the distilled spirits on which drawback was claimed was paid or determined and the distilled spirits were used in accordance with laws and regulations in the manufacture or production of medicines, medicinal preparations, food products, flavors, flavoring extracts, or perfume unfit for beverage purposes, and a claim for allowance of drawback on such distilled spirits has been paid, the obligors must refund to the United States an amount equal to the amount of the drawback so allowed and paid.

NOW, THEREFORE, the conditions of this bond are such that if the principal-

1. Complies with the provisions of 26 U.S.C. 51H1 - 51H4, and regulations issued pursuant thereto now or hereafter in force respecting the use of distilled spirits in the manufacture or production of medicines, medicinal preparations, food products, flavors, flavoring extracts, or perfume unfit for beverage purposes; and

2. Furnishes evidence satisfactory to the authorized official of the Alcohol and Tobacco Tax and Trade Bureau that (a) the tax on such distilled spirits was paid or determined, and (b) such spirits were used in accordance with laws and regulations in the manufacture or production of products as aforesaid unfit for beverage purposes;

Then this obligation is void, otherwise to remain in full force and effect.

And we, the obligors, for ourselves, our heirs, executors, administrators, successors, and assigns, do further covenant and agree that upon the breach of any of the covenants of this bond, the United States may pursue its remedies against the principal or surety independently, or against both jointly, and the said surety hereby waives any right or privilege it may have of requiring, upon notice, or otherwise, that the United States must first commence action, intervene in any action of any nature whatsoever already commenced, or otherwise exhaust its remedies against the principal.
