March 2, 2012

The following enhancements in functionality and interface are included in Version 3.6 of the COLAs Online system:

- **Enter Grape Varietal(s) Field in COLAs Online** — You may now enter a Grape Varietal(s) field value for COLA applications where Type of Product is “Wine.” The field displays between the Wine Vintage and the Wine Appellation fields on the Create Application Step 2 of 3: COLA Information page:

  Grape Varietal(s) Field on Create Application Step 2 of 3: COLA Information Page

- **View Grape Varietal(s) Field in COLAs Online** — Once you have entered the COLA application information, the field will display after the Wine Vintage field on the Verify Application page:

  Grape Varietal(s) Field on Verify Application Page

After you have submitted the COLA application, the field will display between the Wine Appellation and Wine Vintage fields on the Application Detail page:
• **Search Grape Varietal(s) Field in COLAs Online** – You may search for applications using the Grape Varietal(s) field on the Search for eApplications page when you select “Wine” as the Type of Product:
