SUPPLEMENTARY INFORMATION:

Background

On August 21, 1998, the Bureau of Alcohol, Tobacco and Firearms (ATF) issued a temporary rule to implement various sections of the Taxpayer Relief Act of 1997, Public Law 105–34 (“the Act”). Section 908 of the Act amended the Internal Revenue Code of 1986 (IRC) to create a new excise tax category for hard cider. The temporary rule, T.D. ATF–398 (63 FR 44779) included rules for labeling hard cider. On the same day, ATF issued a notice of proposed rulemaking, Notice No. 859 (63 FR 44819), inviting comments on this temporary rule for a 60 day period. In response to requests from the industry, ATF reopened the comment period for an additional 30 days on November 6, 1998, by Notice No. 869 (63 FR 59921). Based on comments received in response to Notice No. 859, ATF identified one area, labeling of hard cider, where comments indicated the temporary rule as originally issued imposed an unintended and unnecessary burden. By T.D. ATF–418 (64 FR 51896), ATF postponed the compliance date for the hard cider labeling rules (originally February 17, 1999), so that we could develop alternative labeling rules. At the same time, we published Notice No. 881 (64 FR 51933) to request comments on alternative labeling rules.

In response to Notice No. 881, we received four generally supportive comments on the proposed labeling changes. However, Green Mountain Cidery noted in its comment that we should not place elements of the temporary definition of hard cider in the labeling rules, since there were many suggested changes to that definition in the original comments. We have not completed the final rule related to the definition of hard cider. Therefore, we are delaying the compliance date for the temporary labeling rules until January 31, 2001 so that we can finalize the definition and the new labeling rules in one document.

Regulatory Flexibility Act

The provisions of the Regulatory Flexibility Act (5 U.S.C. 601 et seq.) relating to a final regulatory flexibility analysis do not apply to this rule because the agency was not required to publish a general notice of proposed rulemaking under 5 U.S.C. 553 or any other law. Pursuant to 26 U.S.C. 7805(f), this temporary rule will be submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on its impact on small businesses.

Executive Order 12866

It has been determined that this rule is not a significant regulatory action as defined by Executive Order 12866. Therefore, a regulatory assessment is not required.

Paperwork Reduction Act

The provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. 3507) and its implementing regulations, 5 CFR part 1320, do not apply to this final rule because no new collection of information is contained in this Treasury decision.

Administrative Procedure Act

This document merely defers a compliance date for labeling rules for hard cider while ATF considers alternative labeling requirements. In view of the immediate need to inform the industry of this action, it is found to be impracticable to issue this Treasury decision with notice and public procedure under 5 U.S.C. 553(b), or subject to the effective date limitation in section 553(d).

Drafting Information: Marjorie Ruhf, of the Regulations Division, Bureau of Alcohol, Tobacco and Firearms, drafted this document.
