(b) Importer certification. By entering the worsted wool fabric under HTSUS subheading 9902.51.11 or 9902.51.12, the importer thus certifies that the worsted wool fabric is suitable for use in making suits, suit-type jackets, or trousers, as required under these subheadings.

(c) Validity of license.—(1) License number. To be valid, the license, or written authorization issued under the license and including its unique control number, must meet the requirements of 15 CFR 335.5, and with respect to the requirement in 15 CFR 335.5(a) that the license have a unique control number, the license must have a distinct and unique identifying number consisting of 9 characters comprised of the following three elements:

(i) The first character must be a “W”;
(ii) The second and third characters must consist of the last 2 digits of the calendar year for which the license is issued and during which it is in effect; and
(iii) The final 6 characters represent the distinct and unique identifier assigned to the license by the Department of Commerce.

(2) Use of license. A license covering worsted wool fabric that is entered under HTSUS subheading 9902.51.11 or 9902.51.12 is in effect, and may be used to obtain the applicable in-quota rate of duty for fabric that is entered or withdrawn for consumption, only during the specific calendar year (January 1—December 31, inclusive) for which the license is issued (see 15 CFR 335.2 and 335.5(b) and (d)).

(d) Retention and production of license or authorization to Customs. The license and any written authorization from the licensee to the importer are subject to the recordkeeping requirements of part 163 of this chapter (19 CFR part 163). Specifically, the license and any written authorization must be retained for a period of 5 years in accordance with §163.4(a) of this chapter, and must be made available to Customs upon request in accordance with §163.6(a) of this chapter.

[T.D. ATF–451]

RIN 1512–AC38

Delegation of Authority (2000R–415P)

AGENCY: Bureau of Alcohol, Tobacco and Firearms (ATF), Treasury.

ACTION: Treasury decision, final rule.

SUMMARY: This final rule places ATF authorities contained in ATF regulations, with the “appropriate ATF officer” and requires that persons file documents required by ATF regulations, with the “appropriate ATF officer” or in accordance with the instructions on the ATF form. Also, this final rule removes the definitions of, and references to, specific officers subordinate to the Director and the word “region.” Concurrently with this Treasury Decision, ATF Order 1130.23 is being published. Through this order, the Director has delegated all of the authorities in ATF regulations to the appropriate ATF officers and specified the ATF officers with whom applications, notices and other reports, which are not ATF forms, are filed. In addition, this final rule makes a few corrections and provides an additional option for filing a statement of eligibility for flavors.

EFFECTIVE DATE: This rule is effective May 1, 2001.

FOR FURTHER INFORMATION CONTACT: Robert Ruhl, Regulations Division, Bureau of Alcohol, Tobacco and Firearms, 650 Massachusetts Avenue NW, Room 5003, Washington, DC 20226 (telephone 202–927–8210 or e-mail to acltob@atfhq.atf.treas.gov).

SUPPLEMENTARY INFORMATION:

Background

Pursuant to Treasury Order 120–01 (formerly 221), dated June 6, 1972, the Secretary of the Treasury delegated to the Director of the Bureau of Alcohol, Tobacco and Firearms (ATF), the authority to enforce, among other laws, the provisions of chapter 51 of the Internal Revenue Code of 1986 (IRC) and the Federal Alcohol Administration (FAA) Act. The Director has subsequently redelegated certain of these authorities to appropriate subordinate officers by way of various means, including by regulation, ATF delegation orders, regional directives, or similar delegation documents. As a result, to ascertain what particular officer is authorized to perform a particular function under chapter 51 of the IRC or the FAA Act, each of these various delegation instruments must be consulted. Similarly, each time a delegation of authority is revoked or redelegated, each of the delegation documents must be reviewed and amended as necessary.

ATF has determined that this multiplicity of delegation instruments complicates and hinders the task of determining which ATF officer is authorized to perform a particular function. ATF also believes these multiple delegation instruments exacerbate the administrative burden associated with maintaining up-to-date delegations, resulting in an undue delay in reflecting current authorities.

Accordingly, this final rule rescinds all authorities of the Director in part 250 that were previously delegated and places those authorities with the “appropriate ATF officer.” All of the authorities of the Director that were not previously delegated are also placed with the “appropriate ATF officer.” Along with this final rule, ATF is publishing ATF Order 1130.23, Delegation Order—Delegation of the Director’s Authorities in 27 CFR Part 250, Liquors and Articles from Puerto Rico and the Virgin Islands, which delegates certain of these authorities to the appropriate organizational level. The effect of these changes is to consolidate all delegations of authority in part 250 into one delegation instrument. This action both simplifies the process for determining what ATF officer is authorized to perform a particular function and facilitates the updating of delegations in the future. As a result, delegations of authority will be reflected in a more timely and user-friendly manner.

In addition, this final rule also eliminates all references in the
regulations that identify the ATF officer with whom an ATF form is filed. This is because ATF forms will indicate the officer with whom they must be filed. Similarly, this final rule also amends part 250 to provide that the submission of documents other than ATF forms (such as letterhead applications, notices and reports) must be filed with the “appropriate ATF officer” identified in ATF Order 1130.23. These changes will facilitate the identification of the officer with whom forms and other required submissions are filed.

This final rule also makes various technical amendments to Subpart A—Scope of Regulations of 27 CFR part 250. First, a new §250.3 is added to recognize the authority of the Director to delegate regulatory authorities in part 250 and to identify ATF Order 1130.23 as the instrument reflecting such delegations. Second, §250.2 is amended to provide that the instructions for an ATF form identify the ATF officer with whom it must be filed.

ATF has made or will make similar changes in delegations to all other parts of Title 27 of the Code of Federal Regulations through separate rulemakings. By amending the regulations part by part, rather than in one large rulemaking document and ATF Order, ATF minimizes the time expended in notifying interested parties of current delegations of authority.

Miscellaneous Changes

We have given an option to file ATF Form 5154.1 for persons who require a statement of eligibility for flavors to be used in the computation of the effective tax rate for distilled spirits. This ATF form may be used in lieu of the statement of composition prescribed by 27 CFR 250.50(a)(b).

Corrections

Two corrections have been made. First, we have corrected the text of §250.118 to insure that the district director is referenced in this entire section. Second, we have removed §250.277 which no longer applies because T.D. ATF—206 (50 FR 23949) eliminated the use and reports of strip stamps.

Paperwork Reduction Act

The provisions of the Paperwork Reduction Act of 1995, Public Law 104–13, 44 U.S.C. Chapter 35, and its implementing regulations, 5 CFR part 1320, do not apply to this final rule because there are no new or revised recordkeeping or reporting requirements.

Regulatory Flexibility Act

Because no notice of proposed rulemaking is required for this rule, the provisions of the Regulatory Flexibility Act (5 U.S.C. 601 et seq.) do not apply. A copy of this final rule was submitted to the Chief Counsel for Advocacy of the Small Business Administration in accordance with 26 U.S.C. 7805(f). No comments were received.

Executive Order 12866

It has been determined that this rule is not a significant regulatory action because it will not: (1) Have an annual effect on the economy of $100 million or more or adversely affect in a material way the economy, a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local or tribal governments or communities; (2) Create a serious inconsistency or otherwise interfere with an action taken or planned by another agency; (3) Materially alter the budgetary impact of entitlements, grants, user fees, or loan programs or the rights and obligations of recipients thereof; or (4) Raise novel legal or policy issues arising out of legal mandates, the President’s priorities, or the principles set forth in Executive Order 12866.

Administrative Procedure Act

Because this final rule merely makes technical amendments and conforming changes to improve the clarity of the regulations, it is unnecessary to issue this final rule with notice and public procedure under 5 U.S.C. 553(b). Similarly it is unnecessary to subject this final rule to the effective date limitation of 5 U.S.C. 553(d).
