NOTES:

Vermouth and other natural still wines, taxable withdrawals, and stocks are included in still wines. Other special naturally carbonated wines, taxable withdrawals, and stocks are included in effervescent wines.
Changes in figures from prior reports are due to amended reports being filed.
This data is not final and may need to be amended.

- 1) Includes other than standard wines produced as distilling material for the production of brandy.
- 2) Additional wines expressly produced as distilling material.
- 3) Figures reflect changes to definitions of certain still wine tax classes made by the Tax Cuts and Jobs Act/Craft Beverage Modernization and Tax Reform which are in effect calendar years 2018 and 2019.
