## NOTES:

1. This is an unofficial report. Official revenue collection figures are stated in the TTB/ATF Chief Financial Officer Annual Report.
2. All "imported" tax collection figures are obtained from U.S. Customs data.
3. Addition of current fiscal year prior quarter figures may not agree with cumulative figures for current fiscal year due to the figures being adjusted to reflect classification of unclassified alcohol and tobacco tax collections previously reported, to reflect collection adjustments for prior tax periods and to reflect rounding adjustments.
4. Source for other tax collection figures on this report is a TTB/ATF database that records tax collection data by tax return period. This data is summarized on this report by the quarter in which an incurred tax liability is satisfied.
5. Unclassified Alcohol and Tobacco Tax is tax collected, but not yet posted to a taxpayer account due to missing Employer Identification Number (EIN), permit number, and/or other taxpayer identity information.
