Printing Sample ID Sheets

Not every submission requires a sample. When a sample is required, however, you may enter a sample sent date and print a sample ID sheet.

Follow these steps to print a sample ID sheet:

- 1. Enter the Sample Sent date following the steps in Entering Sample Sent Date.
- 2. Select the checkbox next to the <u>Sample ID</u> for each sample you wish to send.

\blacktriangleright Note: Select the top-level checkbox to select all the samples. Deselect the ones you do not wish to send or have already sent.

3. Select **Print Sample ID Sheet** from the For Selected Samples drop-down list. See Figure 1.
