INSTRUCTIONS

GENERAL INSTRUCTIONS

The proprietor must submit a separate TTB F 5120.29 for each formula covering the production of special natural wine, agricultural wine, effervescent wine in which more than 10 percent of the volume is finishing dosage, essences and extracts produced on bonded wine premises, and other *than standard* wine, except for distilling material and vinegar stock. The proprietor must forward the completed TTB F 5120.29, in triplicate (*quintuplicate for applicable wine products produced in Puerto Rico*), to the Advertising, Labeling, and Formulation Division, Alcohol and Tobacco Tax and Trade Bureau, 1310 G Street, NW., Box 12, Washington, DC 20005. Production may commence upon the receipt by the proprietor of an approved formula on TTB F 5120.29.

SPECIFIC INSTRUCTIONS

ITEM 1. Enter the name, complete address applicant.

ITEM 2. The class and type must conform to one of the class and type designations in the regulations issued under the Federal Alcohol Administration Act. Wine products containing less than 7 percent alcohol by volume must be designated in accordance with the labeling regulations of the Federal Food, Drug and Cosmetic Act, 27 CFR Part 24. Do not show a brand or fanciful name in item 2. Nonbeverage wine will be designated as such, since products are labeled under the Federal Food, Drug and Cosmetic Act.

ITEM 3. If the product is to be bottled at more than one alcohol content within the same tax rate, state the alcoholic content as a range to include all alcoholic contents at which the product will be bottled.

ITEM 4. Enter the winery number and formula number for each formula which is superseded.

ITEM 5. a. Specify the kind and quantity of each and every material or ingredient to be used in the formulation of a batch of the product, e.g., 100 gallons, 1000 gallons, etc.

b. Identify flavoring or blending materials by the name of the flavor or blender, name of the flavor or blender manufacturer, the manufacturer's product number (*if none so indicate*), drawback formula number (*if none so indicate*), date of approval of the nonbeverage formula, alcohol content of the flavor or blender (*if nonalcoholic so indicate*), a description of any coloring material contained in the flavor or blender.

ITEM 6. Show in sequence each step employed in producing the product, including the step at which the specified materials will be added and the approximate period of time to complete production.

ITEM 12. Number the formulas in sequence commencing with the number "1." Nonbeverage formulas must be prefaced with the symbol "NB."

CONDITIONS FOR GRANTING APPROVAL

This approval is granted under 27 CFR Part 24 and does not in any way provide an exemption from or a waiver of the provisions of the U.S. Food and Drug Administration regulations relating to the use of food and color additives in food products.

PAPERWORK REDUCTION ACT NOTICE

This request is in accordance with the Paperwork Reduction Act of 1995. The information collection is used by TTB to determine that wine is processed in an authorized manner and meets one of the standards of identity for wine. The information is required to obtain a benefit.

The estimated average burden associated with this collection of information is 2 hours per respondent or recordkeeper, depending on individual circumstances. Comments concerning the accuracy of this burden estimate and suggestions for reducing this burden should be directed to the Paperwork Reduction Act Officer, Regulations and Rulings Division, Alcohol and Tobacco Tax and Trade Bureau, 1310 G Street, NW., Box 12, Washington DC 20005. DO NOT SEND COMPLETED FORMS TO THIS ADDRESS

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a current, valid OMB control number.
