Dear Chief Regulations and Procedures Division

- I enjoy drinidn8 flavored malt beverages like Smirnoff Ice and Smirnoff Ice Triple Black I oppose the proposed regulation in TTB Notice No.4 requiring a change in the way these drinks are made because:

- - I like FMBs just the way they are.

The federal government shouldn't waste my tax dollars on trivial issues like changing the way my favorite drinks are made.

- Companies should make the changes the consumers want. not what the government demands.

- The federal government should handle bigger problems like creating jobs, improving the economy end protecting us from terrorists.

Sincerely,

Ernest Tyo
