

Dear Sir or Madam:

I am writing to you to express my opinion in favor of option #2 of the proposed alternative standards for alcohol sources in the flavored malt beverages. The employees of my company could suffer layoffs and financial hardship as a result of option #1 being adopted. Option #1 would impose unfair practices on all people associated with the production and distribution of FMB'S. Finally, FMB's in my opinion are not the equivalent of spirits and should not be placed in the same category. Please vote for option Number 2.

Sincerely,

Russ White
