Washington, D.C. 20091-0221

Dear Chief, Regulations and Procedures Division:

I am writing to you supporting the proposed 0.5% standard for all flavored malt beverages.

To my way of thinking this proposed standard will be the best possible way of maintaining the much needed clear distinctions between beer and liquor. Additionally, it is the very best way of preserving the beverage category as we know it.

Thank you for your consideration.

Yours truly,

Charles M. Borkoski
