

Formulas Online...

Go Green While Saving Money and Time

*The **Formulas Online** system is a secure web-based application that will enable Industry Members to draft, submit, and track TTB's processing of regulatory compliance formula submissions and associated samples for domestic and imported alcohol beverage products. The system will also allow the Industry Members to register and maintain one User ID for both the Formulas Online System and the COLAs Online System.*

Who? TTB's Industry Members

What? DO THE WORK ONLINE!

- Why?**
- Register online. Bye-bye paper and postage.
 - Submit formulas for imported and domestic alcohol beverages online.
 - Reset or renew password 24 /7.
 - Check submission status online.
 - Double-check your application with the "Validate" feature.
 - Access COLAs Online* to view labeling information.
 - Stay updated on application status with email notifications.
 - Quicker approval time, so your product goes to market sooner!

Where? www.TTB.gov

When? Beginning 2011!

**Must be a registered user for this application.*
