

Permits Online

Print online application

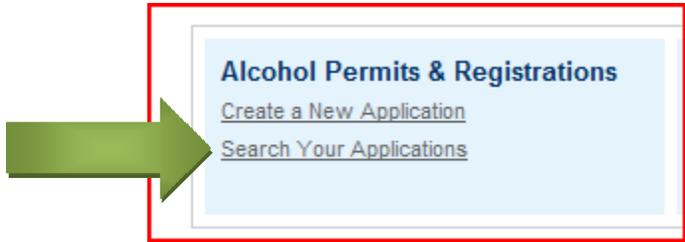

The Permits Online system has replaced the old paper application forms. Therefore, if you submitted your TTB application through Permits Online you will not be able to provide your State with the TTB application forms. However, we have created a file for each application submitted titled Application Summary. This document can be accessed at any point in your application process. Follow the steps below to acquire this information.

- Login to Permits Online

The screenshot shows the login interface for the Permits Online system. At the top, there are links for "Accessibility Support", "Register for an Account", and "Login". Below these links is a search bar. The main login area is a grey box with the title "Login". It contains two input fields: "User Name or E-mail:" and "Password:". Below the password field is a "Login »" button. At the bottom of the grey box, there is a checkbox labeled "Remember me on this computer", a link "I've forgotten my password", and a link "New Users: Register for an Account".

- Click "Search Your Applications"

- Click on the Tracking Number of the application
