U.S. Department of the Treasury

The following tables list all the established American Viticultural Areas (AVAs), as contained in part 9 of the TTB regulations (27 CFR part 9). Table 1 lists all AVAs that are located within a single State. Table 2 lists all AVAs that overlap two or more States.

This table is for informational purposes only. The official boundary description for each AVA is contained in part 9 of the TTB regulations. A link to the appropriate CFR section for each AVA is included in the last column.

Currently, there are **239** established AVAs in the United States. **California** has the most AVAs, with **138**.
